**E-WASTE
HARVESTERS**

Here are the simple rules:

I understand that this service is being extended without charge by E-Waste Harvesters and Sun Lakes EarthMinders. I further understand that pickup dates are as shown and will not be changed, and that since E-Waste Harvesters is not authorized to enter my home or to disassemble or disconnect any of my equipment, I must perform those operations and leave the disconnected materials in an accessible location outside my home on the pickup day. Materials must be in plain view and be in the selected location by 8:30 a.m. Pickups may continue until as late as 4:30 p.m., and if pickup cannot be made I will be notified by telephone and another pickup day will be scheduled for me.
